Dear Customer,

With regard to holidays, trash pick up will always be on your regularly scheduled day except for Christmas and Thanksgiving.

If you are a recycling customer, your recycling will be picked up weekly the same day as your trash. We recycle co-mingle (glass, aluminum, tin, & plastic bottles #1 & #2) and newsprint. We cannot pick-up your recycling if it is contaminated with trash; it will be picked up as trash.

Additional fees will be assessed to customers who generate trash in excess of the contracted container amount when the excess exceeds 1 cubic yard (3'x3'x3'). The following list of items also require an addition fee:
